

The mission of The New London Freedom School is to create and sustain a dynamic Sudbury-model community in New London, Connecticut, for children ages 4-19 from New London and the greater New London area, where children, who are reflective of and enriched by our central city's economic and racial diversity, are trusted with the freedom and responsibility to be the innovators of their own education and thus, their future.

New London Freedom School
Capital Campaign: "Building a School—Brick by Brick"

New London Freedom School is raising funds to purchase a permanent home for our school. For a \$250.00 donation, family members and friends of NLFS may reserve a brick in their own name, in honor of a loved one or in memory of a deceased family member or friend. Bricks will be placed in an attractive walkway on the property of our new building. Show your support for New London Freedom School, democratic education and children's rights! Reserve your spot now and help build our school "Brick by Brick!" New London Freedom School is a 501 (c) 3 nonprofit corporation. Donations to New London Freedom School are tax-deductible.

The bricks are 4x8 inches, with three lines available for engraving 15 uppercase characters per line, including all spacing.
